Name of the Program: Mental Health Awareness

Date: 09-5-2021

Organized by: MIPER NSS Unit

Location: KVR Women's college, Kurnool

No of students participated: 30

Introduction:

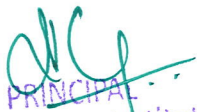

Mental health issues affect millions of people worldwide, and they can impact anyone, regardless of age, gender, or background. By raising awareness and fostering a culture of empathy and support, we can help reduce the stigma associated with mental health challenges and create a more inclusive community.

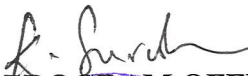

Event Highlights:

Awareness: We are excited to share to Mental Health Awareness, an event that brought our community together to raise awareness about mental health and well-being. The event was a tremendous success, thanks to the dedication and participation of all our members.

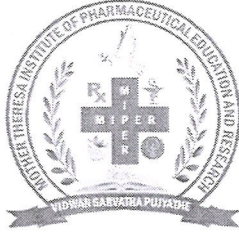

Mental Health Resource Distribution: We distributed informational pamphlets and resources on mental health, including contact details for local mental health clinics, helplines, and crisis intervention services.

Conclusion: The Mental Health Awareness campaign was not just an event it was a collective endeavour to shed light on a topic of paramount importance - mental health. We thank all the NSS volunteers who made this program successful.

PROGRAM REPORT

Date: 30-09-2020

Name of the Program: World Heart Day

Date: 29th September 2020

Venue: in Joharapuram Village

Organized by: MIPER NSS Unit

No. of students participated: 30

Introduction:

The MIPER NSS Unit organized a grand event in Joharapuram Village on 29th September 2020 to commemorate World Heart Day. The event aimed to raise awareness about heart health and promote a healthy lifestyle among the residents of Joharapuram.

Program highlights:

Interaction with villagers:

villagers learned cardiopulmonary resuscitation (CPR) and other life-saving techniques. These practical sessions equipped attendees with essential skills that could potentially save lives in critical situations.

Awareness March:

A symbolic awareness march through the village was conducted, with participants carrying banners and placards to spread the message of heart health. The march was a visual representation of the collective commitment to a heart-healthy lifestyle.

Conclusion:

The World Heart Day Celebration in Joharapuram Village was a resounding success. It achieved its objectives of raising awareness about heart health, providing essential healthcare services, and promoting a heart-healthy lifestyle within the community. The MIPER NSS Unit extends its gratitude to all those who contributed to the success of this event, including the organizers
