Subject-specific Coaching:

Esteemed faculty members from reputed institutes conducted in-depth coaching sessions on core subjects, ensuring a deep understanding of the concepts relevant to the GPAT examination.

Mock Tests and Practice Sessions:

To simulate real exam conditions, students participated in mock tests and practice sessions, allowing them to refine their time management skills and identify areas for improvement.

Interactive Q&A Sessions:

The coaching program provided a platform for students to actively engage with faculty members, seeking clarification on doubts and gaining insights into effective study strategies.

Faculty:

We were privileged to host distinguished faculty members from reputed institutes, each with a wealth of experience in GPAT coaching. Their expertise and commitment to excellence significantly contributed to the success of the coaching program.

The coaching program saw active participation from all 3rd B pharmacy students. The students' eagerness to learn and excel in their preparation for GPAT was commendable.

Outcome:

The early exposure to GPAT coaching in the 3rd B Pharmacy and final B pharm provided several benefits, including:

Early Familiarization:

Students became familiar with the GPAT pattern and syllabus well in advance, allowing for a more structured and strategic approach to their preparation.

Increased Confidence:

The coaching program instilled confidence in students by addressing their queries, providing valuable study materials, and offering guidance on effective preparation strategies.

Time Management Skills:

Through mock tests and practice sessions, students honed their time management skills, a crucial aspect of success in competitive exams.

Comprehensive Exam Overview:

Students received a thorough understanding of the GPAT exam pattern, syllabus, and marking scheme to form a strong foundation for their preparation.

Subject-specific Coaching:

Esteemed faculty members from reputed institutes conducted in-depth coaching sessions on core subjects, ensuring a deep understanding of the concepts relevant to the GPAT examination.

Mock Tests and Practice Sessions:

To simulate real exam conditions, students participated in mock tests and practice sessions, allowing them to refine their time management skills and identify areas for improvement.

Interactive Q&A Sessions:

The coaching program provided a platform for students to actively engage with faculty members, seeking clarification on doubts and gaining insights into effective study strategies.

Faculty:

We were privileged to host distinguished faculty members from reputed institutes, each with a wealth of experience in GPAT coaching. Their expertise and commitment to excellence significantly contributed to the success of the coaching program.

The coaching program saw active participation from all 3rd B Pharmacy students. The students' eagerness to learn and excel in their preparation for GPAT was commendable.

Outcome:

The early exposure to GPAT coaching in the 3rd year provided several benefits, including:

Early Familiarization:

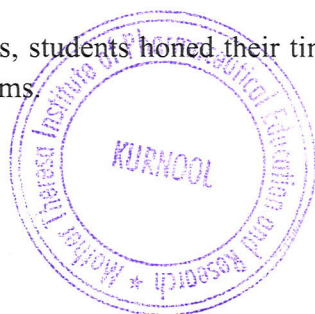

Students became familiar with the GPAT pattern and syllabus well in advance, allowing for a more structured and strategic approach to their preparation.

Increased Confidence:

The coaching program instilled confidence in students by addressing their queries, providing valuable study materials, and offering guidance on effective preparation strategies.

Time Management Skills:

Through mock tests and practice sessions, students honed their time management skills, a crucial aspect of success in competitive exams.
