Director & Academic Director awarding Mr. & Miss Fresher on 1st Freshers Day Celebrations

It's indeed a pleasure to declare that MIPER is issuing the first Newsletter for the academic year 2019-2020. This Newsletter is a compilation of outstanding programmes from numerous disciplines and an excellent measurement of the scholastic efforts of creativity. This fabulous newsletter will leave an everlasting imprint on the minds of the readers. The entire team at work for the all round development of the students to achieve the cherished goals and to continue the successful legacy of MIPER. We wish the release of this newsletter of MIPER will be a stupendous success and congratulate the Director, Principal and staff for this most remarkable periodical.

We are very happy to meet you through this exclusive newsletter (2019-2020). Appreciate all the hands behind this meticulous work. We are truly happy to note that the 1st volume of our Newsletter is published on.....

We strongly believe that the readers would get a fair idea about the academic achievements and co-curriculum activities of our students, faculty and employees from the past one year. Our editorial board has strived to make this newsletter as informative as possible. Once again congratulating all those who extended support and help in publishing this 1st edition.

INDUCTION PROGRAMME

Induction Programme was conducted from 16-09-2019 to 28-09-2019 to help the students in getting acquainted with new people and place. Hence, the upcoming academic sessions will be successful. The core events of our Induction Programme are:

Introduction to Course & Subjects
Guest Lectures
Workshops
Social Events
Cultural Events
Talent Shows
Team Building Activities & many more.

Through these activities our students could build their unique images by exhibiting their talents. They also could understand how people work together, how to behave and handle different situations in and around. (PTO)

NSS DAY

NSS Day was celebrated on 24th September, 2019. It's our immense pleasure to have the privilege of NSS Unit in our college. Awareness was brought among the students by educating them about their social responsibilities towards the people and the country. Students' contribution was really admirable in different activities of the celebration such as... Swachh Campus, Plantation, Exhibition, Medicinal Gardening etc.. conducted by Dr. Stella Sathish, Director Academics and Mr. K. Suresh, NSS Co-ordinator. Their active participation helped them to develop great interest towards social service.

WORLD PHARMACIST DAY

25th September is really a memorable day in the life of each and every Pharmacist in the world. This celebration made our budding pharmacists feel proud of their role in the field of medicine. The day was attractive with colourful theme oriented decorations and the speeches of the eminent guests Mr. Chandrasekhar Rao, Additional Drug Controller, Rayalaseema Region, Kurnool Mr. Thirupathi Reddy, Retd. H.O.D., G. Pulla Reddy Polytechnic, Kurnool. The interaction session held by them on pharmacist career was the highlight of the day. This celebration made our students feel much more responsible towards their goals to render the dedicated service in the future.

FRESHERS DAY

NARIO FIESTA - 2K19 is the red-lettered day in the history of MIPER as it celebrated its first freshers day on 4th October, 2019. This was the day of fun and laughter organised and celebrated exclusively for our freshers as they have just started their journey in MIPER. It's the day of happiness, warmth, love & emotions to welcome our freshers. The day was enthralled with beautiful decorations and stunning performances of dances, singing and other cultural programmes showcased by the students. On the whole the day went on splendidly as a memorable day in MIPER.
